Situation of gauge unknown the amounts were entered by the Rev H. S. Newcombe at the beginning of his register he was born in 1800

These records were also forwarded by To. L. M. Jones (though Cromwell) when they were thought to be made by the Vicar of Ryne Manor, S. Ryne (near Old Town) about 7 mi. S. of Stamford.

x Each of these falls was in about 6 hours and produced no sensible effect upon vegetation.

The amounts before 1826 were entered by Rev H. S. Newcombe at the beginning of his register but he did not begin to observe till 1826. The situation of the gauge and the observers name are unknown *See note in 1800-19 10yr book*

Record for 1826 said to be at South Kymre by Mr. A. S. Leslie Mulinille - said to have been kept from 1800.
